

**Optometrist – office locations in Essex, Morris and Union counties.** Northern New Jersey Eye Institute PA., is seeking to fill this position for coverage in its various office locations – including South Orange/NJ, West Caldwell/NJ, Elizabeth/NJ and Morristown/NJ.

Position reports to the Chief Medical Officer (CMO)/Practice Administrator. The Optometrist examines, diagnoses, treats, and manages disorders of the visual system, eye diseases, and injuries. Prescribes eyeglasses or contact lenses as needed. Successful Candidate must be able to work in each of the four northern new jersey locations. Evenings and weekends required.

**DUTIES AND RESPONSIBILITIES:**

1. Perform vision tests and analyze results
2. Diagnose sight problems, such as nearsightedness or farsightedness and eye diseases, such as glaucoma
3. Prescribe eyeglasses, contact lenses, and medications
4. Provide treatments such as vision therapy or low-vision rehabilitation
5. Provide pre- and postoperative care to patients undergoing eye surgery—for example, examining a patient's eyes the day after surgery
6. Evaluate patients for the presence of diseases such as diabetes and refer patients to other healthcare providers as needed
7. Promote eye health by counseling patients

Education and Skill Requirements: Individual must possess a Doctor of Optometry Degree (O.D.). Foreign degree accepted. Physicians must have a New Jersey Doctor of Optometry License, Oral Therapeutic Pharmaceutical Agents Certification and active CDS and DEA licenses.

Must be available on evenings and weekends. Must be available to travel and work at other office location(s) in the same MSA (Metropolitan Statistical Area).

Qualified candidates should submit resume with salary requirements via email to [svitale@nnjei.com](mailto:svitale@nnjei.com)
